

Fill in the empty blanks. Write a rule to represent the relationship between input and output.

1.

| Input | Output |
|-------|--------|
| 15    | 5      |
| 24    | 8      |
| 6     | 2      |
| 18    | 6      |

Divide by 3

2.

| Input | Output |
|-------|--------|
| 80    | 8      |
| 30    | 3      |
| 10    | 1      |
| 100   | 10     |

Divide by 10

3.

| Input | Output |
|-------|--------|
| 9     | 9      |
| 7     | 7      |
| 4     | 4      |
| 3     | 3      |

Divide by 1

4.

| Input | Output |
|-------|--------|
| 28    | 4      |
| 14    | 2      |
| 56    | 8      |
| 42    | 6      |

Divide by 7

5.

| Input | Output |
|-------|--------|
| 5     | 5      |
| 4     | 4      |
| 3     | 3      |
| 6     | 6      |

Divide by 1

6.

| Input | Output |
|-------|--------|
| 27    | 9      |
| 21    | 7      |
| 3     | 1      |
| 30    | 10     |

Divide by 3

7.

| Input | Output |
|-------|--------|
| 24    | 4      |
| 6     | 1      |
| 12    | 2      |
| 60    | 10     |

Divide by 6

8.

| Input | Output |
|-------|--------|
| 4     | 1      |
| 20    | 5      |
| 12    | 3      |
| 36    | 9      |

Divide by 4

9.

| Input | Output |
|-------|--------|
| 35    | 5      |
| 28    | 4      |
| 21    | 3      |
| 56    | 8      |

Divide by 7

10.

| Input | Output |
|-------|--------|
| 20    | 4      |
| 35    | 7      |
| 25    | 5      |
| 45    | 9      |

Divide by 5

11.

| Input | Output |
|-------|--------|
| 63    | 7      |
| 18    | 2      |
| 81    | 9      |
| 72    | 8      |

Divide by 9

12.

| Input | Output |
|-------|--------|
| 72    | 8      |
| 63    | 7      |
| 36    | 4      |
| 90    | 10     |

Divide by 9
