Find all words below. Words can be found across, up and down, and diagonally.

- | | | |
|-------------------------|-------------------|--------------------|
| algebraic expression | altitude | area |
| area of a triangle | bisect | common denominator |
| common factor | coordinate plane | denominator |
| evaluate | frequency | histogram |
| least common multiple | parallelogram | pi . |
| right rectangular prism | signed number | solid figure |
| tax | three-dimensional | vertex |
| x-axis | x-coordinate | x-intercept |
