Find all words below. Words can be found across, up and down, and diagonally.

- | | | |
|------------------------------|----------------------|------------------|
| area of a triangle | circle | compound event |
| compound inequality | corresponding side | cylinder |
| distributive property | equivalent | equivalent ratio |
| event | expression | histogram |
| measures of central tendency | perimeter | polygon |
| probability | Pythagorean Theorem | quadrants |
| regular polygon | right triangle | scaling |
| slope formula | slope intercept form | y-intercept |
