Find all words below. Words can be found across, up and down, and diagonally.

- | | | |
|-------------------------|--------------------|-------------------|
| algebraic expression | altitude | bisect |
| circumference | common denominator | discount |
| evaluate | inequality | laws of exponents |
| maximum | mode | ordered pair |
| parallelogram | positive numbers | prediction |
| rational coefficient | rectangle | rhombus |
| right rectangular prism | signed number | simplify |
| slope | tax | y-coordinate |
