Find all words below. Words can be found across, up and down, and diagonally.

- | | | |
|----------------|-----------------------|----------------------|
| absolute value | area of a triangle | base of an exponent |
| circle | distributive property | equivalent ratio |
| expression | first quartile | geometric figure |
| numerator | ordered pair | perimeter |
| polygon | probability | product |
| quantity | radical sign | rhombus |
| scatter plot | simplify | slope intercept form |
| standard form | substitution | surface area |
