Find all words below. Words can be found across, up and down, and diagonally.

- | | | |
|-------------------|---------------------|--------------------|
| additive identity | algorithm | common denominator |
| property of 0 | | |
| common factor | convert | coordinate pair |
| coordinate plane | coordinates | cube |
| evaluate | fraction | improper fraction |
| infinite | median | net |
| opposite | order of operations | prism |
| range | rectangle | simplify |
| three-dimensional | variable | x-axis |
