Find all words below. Words can be found across, up and down, and diagonally.

- | | | |
|------------------|----------------------|------------------|
| area | decompose | divisor |
| equivalent ratio | equivalent ratio | formula |
| height | independent variable | integers |
| lower extreme | metric system | negative numbers |
| outlier | plane | positive numbers |
| prime number | quadrilateral | rate |
| sequence | solid figure | statistics |
| third quartile | triangular prism | whole numbers |
