Find all words below. Words can be found across, up and down, and diagonally.

- | | | |
|---------------------|----------------------|-----------------------|
| attribute | base of a polygon | common multiple |
| coordinate system | difference | inequality |
| interquartile range | isosceles triangle | least common multiple |
| line plot | mean | mode |
| non-terminating | numerical expression | product |
| decimal | | |
| quadrants | scalene triangle | sum |
| table | term | terminating decimal |
| value | x-coordinate | y-axis |
