Find all words below. Words can be found across, up and down, and diagonally.

- |                          |                             |                      |
|--------------------------|-----------------------------|----------------------|
| Absolute Value           | Adjacent Angles             | Complementary Angles |
| Compound Event           | Constant of Proportionality | Dependent Event      |
| Experimental Probability | Frequency                   | Independent Event    |
| Inference                | Integers                    | Likely Event         |
| Markup                   | Mean Absolute Deviation     | Percent of Change    |
| Probability              | Rate of Change              | Ratio                |
| Repeating Decimal        | Scale Factor                | Supplementary Angles |
| Theoretical Probability  | Unit Rate                   | Vertical Angles      |
