Find all words below. Words can be found across, up and down, and diagonally.

- |                      |                         |                              |
|----------------------|-------------------------|------------------------------|
| additive inverse     | algebraic expression    | coefficient                  |
| discount             | exponential notation    | fraction                     |
| greater than         | markdowns               | measures of central tendency |
| order of operations  | populations             | protractor                   |
| pyramid              | quadrants               | radical sign                 |
| relative frequency   | rhombus                 | scale drawing                |
| scalene triangle     | signed number           | substitution                 |
| supplementary angles | theoretical probability | three-dimensional            |
