Find all words below. Words can be found across, up and down, and diagonally.

- |                  |                      |                       |
|------------------|----------------------|-----------------------|
| area of a circle | common denominator   | complementary angles  |
| coordinate plane | denominator          | diameter              |
| equation         | equivalent ratio     | event                 |
| experimental     | integers             | least common multiple |
| probablility     |                      |                       |
| likely event     | opposite             | probability           |
| product          | rational coefficient | rectangle             |
| sample space     | solution set         | sum                   |
| table            | tax                  | terminating decimal   |
