Find all words below. Words can be found across, up and down, and diagonally.

- | | | |
|--------------------------|-----------------------------|----------------------|
| Absolute Value | Adjacent Angles | Complementary Angles |
| Compound Event | Constant of Proportionality | Dependent Event |
| Experimental Probability | Frequency | Independent Event |
| Inference | Integers | Likely Event |
| Markup | Mean Absolute Deviation | Percent of Change |
| Probability | Rate of Change | Ratio |
| Repeating Decimal | Scale Factor | Supplementary Angles |
| Theoretical Probability | Unit Rate | Vertical Angles |
